

RECOMMENDATIONS FOR EFFECTIVE POSTER TOUR PRESENTATION

- Experts in the field of rheumatology will lead groups of up to 20 attendees around speaker-attended ePosters for a presentation followed by an interactive discussion with the poster presenters
- As a poster presenter you do not need to register for the poster tour
- The tour will start at the corresponding ePoster station (Station 01 for tour T01/F01/S01, Station 02 for tour T02/F02/S02, etc.), located in the poster area in Hall 10
- Please be present at the ePoster station 5 minutes before the start of the tour. When the tour guides arrive, introduce yourself and wait for your turn
- The ePoster station is composed of a main screen (75") for the audience and a small computer screen for the presenter that can be used to switch from one poster to the other and to zoom into the poster (see below sketch)
- When it is your turn to present, the tour guide will provide you with a microphone in order to allow participants to listen to you. Participants will be equipped with wireless headsets.
- Please give a short presentation of approximately 2 minutes to present the highlights of your work (time dependent on the number of posters scheduled within your poster tour)
- Please ensure that your presentation does not run over the time allocated
- After the short presentation, the tour guide will lead an interactive discussion with the participants attending the tour
- Handouts of your abstract / ePoster (with your contact details) may facilitate future communication. Alternatively, (if you give the authorisation during the upload) delegates can obtain a copy of your ePoster by email
- The way your ePoster is arranged is of prime importance to facilitate this short presentation, during which you will only be able to stress the key elements. So you need to be clear what these are and be aware how to explain them in a short time. Please also refer to the available template.
- Laptop presentations will not be accepted
- Tour attendance will be limited to 20 attendees per tour and will be determined on a first come first served basis
- Participants who wish to attend a tour need to register to the tour at the poster tours and workshops desk located at the registration area. Tour attendance will be limited to 20 attendees per tour and will be determined on a first come first served basis. Registration is only possible on the day of the poster tour itself.
- Failure to present deprives the audience and leaves a space in the program that might have been filled by another presenter. Due to the competitive nature of the programme, any unexplained absences may result in EULAR refusing to consider your abstracts at any future meetings.
