

EULAR 2023 CORPORATE MEMBERS ATTRIBUTION PROCESS

1. Introduction

For the EULAR 2023 European Congress of Rheumatology (EULAR 2023), attribution of exhibiting space, satellite symposia slots and other items open for partnership, will be handled according to a points system which will be calculated as follows:

2. Total of points per company used as basis for EULAR 2023 ranking

- Corporate Members will be awarded 10 points for each year the company has exhibited and/or organised a satellite symposium and other items open for partnership at EULAR (no maximum points)
- 1 point per Euro 2'500 invoiced and paid (excl. VAT) will be awarded to Corporate Members for booking of exhibiting space, satellite symposia and other items open for partnership since the EULAR 2020 broken down as follows:
 - o 100% of total investment for the EULAR 2022 (i.e. Euro 10'000 = 4 points)
 - o 50% of total investment for EULAR 2021 (i.e. Euro 10'000 = 2 points)
 - o 25% of total investment for EULAR 2020 (i.e. Euro 10'000 = 1 point)
- Corporate Members are also awarded 1 point for each delegate registration made for the EULAR 2022 (50% of the points for registration at the EULAR 2021 and 25% of the points for registration at the EULAR 2020).

3. Points attribution as from EULAR 2023

- Corporate Members will be awarded 10 points for each year the company has exhibited and/or organised a satellite symposium and other items open for partnership at EULAR (no maximum points)
- 1 point per Euro 2'500 invoiced and paid (excl. VAT) will be awarded to Corporate Members for booking of exhibition space, satellite symposia and other items open for partnership
- Corporate Members will also be awarded 1 point for each delegate virtual registration (if any) and 3 points for each delegate onsite registration made for the EULAR 2023. To have points credited to your company for delegate registrations, please ensure that any agency, subsidiary, and intermediary registering delegates on behalf of your company, inform the registration department accordingly
- The total points attributed for the following congress is based on the partnership investment and delegate registrations of the 3 previous years (100% for EULAR 2023, 50% for EULAR 2022 and 25% for EULAR 2021).

In case of a merger between companies, the highest number of points between the two companies will be used for the following event, if notice in writing is received by the EULAR Office before 31 October of the year preceding the congress.

4. Outstanding amounts due on EULAR 2022 European Congress of Rheumatology (EULAR 2022)
 In case of outstanding amounts by 1st September 2022, the points corresponding to the items not yet paid will be deducted from the EULAR 2023 ranking.

5. Attribution of Exhibition Space, Satellite Symposia and other items for partnership
 Exhibition Space, Satellite Symposia and other items for partnership will be attributed according to the overall EULAR 2023 ranking, i.e. 1st company enjoys 1st choice of exhibition space, satellite symposium and other items for partnership, 2nd company enjoys 2nd choice, etc.

Should a company request more than one exhibition space, satellite symposium or other items for partnership, it will be necessary to indicate priority, i.e. 1st exhibition space, satellite symposium and other items for partnership, 2nd, 3rd, etc.

6. Ranking Overview EULAR 2023 (based on 2020-2022)

Ranking	Company	TOTAL POINTS
1	AbbVie	4'425
2	Pfizer Pharmaceutical Group	3'645
