Mission statement

The aim is to provide a forum of the highest standard for scientific (both clinical and basic), educational and social exchange between professionals involved in rheumatology, liaising with patient organisations, in order to achieve progress in the clinical care of patients with rheumatic diseases.
Dear Colleagues,

EULAR will take its Annual Scientific Congress to Madrid, Spain, from 12-15 June in 2019. The annual EULAR Congresses comprise the major event in the calendar of world rheumatology. Madrid 2019 will again provide an unique event for the exchange of scientific, clinical and patient-focussed information on a global basis. In 2019, we will be delighted in particular to celebrate our close cooperation with paediatric colleagues – thus our congress will be jointly organised with the paediatric rheumatology society (PReS), assimilating knowledge across the spectrum of the ‘decades of life’.

We will offer a platform to facilitate interaction between physicians, scientists, patients of all ages and their families, health professionals and professionals representing the pharmaceutical industry, from across Europe and around the world. Moreover, we will proudly disseminate the latest progress in our exciting and increasingly diverse array of EULAR and PReS supported activities, all focussed on improving the well-being of people with, or affected by, rheumatic musculoskeletal diseases.

EULAR Congresses arouse tremendous interest in terms of participation reflected by the remarkable quality of contributions. Possibilities for new treatments as well as the impact, burden and cost of rheumatic and musculoskeletal diseases for the individual and society will remain our focus. EULAR Congress 2019 will address once again a wide range of topics including innovation in population, health service, clinical, translational and basic science. Sessions dedicated to People with Arthritis and Rheumatism in Europe (PARE), Health Professionals in Rheumatology (HPR) will feature prominently! High quality health care industry sessions providing in-depth and focussed insights will again be offered. Our poster presentations and poster tours will offer a highly interactive exchange of knowledge and solutions amongst participants. Our programme will increasingly reflect the participation of the EULAR EMEUNET organisation of young rheumatologists that continues to attract young colleagues to the meeting and thus offer an exciting vision for our discipline. Finally, the unique opportunity to create our congress together with PReS, enabling interaction and stimulation of both fields is especially stimulating. Paediatric rheumatology encompasses many fascinating recently-recognised auto-inflammatory diseases that directly inform (adult) rheumatologists. Mutual knowledge exchange is assured and will be of undoubted benefit to all!

We are very happy to visit the City of Madrid again. In recent years, we have enjoyed this vibrant city with its remarkable history, architecture, galleries, museums (consider the breathtaking Prado, Museo Nacional Centro de Arte Reina Sofia and Museo Thyssen-Bornemisza), ambience (Plaza de Cibeles, Puerta del Sol, Plaza Mayor) and delicious food, all of which will once again provide an excellent background for clinical exchanges, international collaborations and renewal of friendships. We will take great pleasure in welcoming physicians, including our paediatric colleagues, patients, their families, health professionals and representatives of the pharmaceutical industry to EULAR 2019, and hope that their stay in Madrid will be informative, educational and thoroughly enjoyable.

**PARE Programme**

Wednesday, 12 June 2019 to Saturday, 15 June 2019

**Health Professionals in Rheumatology Programme**

Wednesday, 12 June 2019 to Saturday, 15 June 2019
Abstract Information

GENERAL

Abstracts can only be submitted online via the online abstract submission system. Abstracts sent by post or email will not be accepted. No exceptions will be made.

Technical requirements

The internet abstract submission system works best with Internet Explorer 10.0 or higher and Mozilla Firefox 5.0 or higher and Chrome 16 and Apple Safari 3 or higher. Cookies and JavaScript need to be enabled. Recommended minimum desktop resolution is 1280 by 800 pixels.

1. Abstract submission must be in one of the three different categories:
   a. Medical or Research Professional / Clinician
   b. Health Professional in Rheumatology / Practice and Research
   c. PARE Member / Patient

   The categories are subdivided into topics (Abstract topics). The correct category and topic must be selected to ensure correct scoring.

   The content of the abstract must be topic related.

2. Splitting of data originating from the same study across several abstracts and/or topics is not permitted and will lead to rejection of the abstracts.

3. It is mandatory to use the Word template provided by the system. Please read all instructions carefully before preparing your abstract.

4. For standardisation, the acceptable length of the abstract is not more than 3600 characters and 55 lines, authors’ details and headers included. This excludes non-visible characters such as spaces as well as punctuation.

5. The abstract is structured into the following sections:
   a. A title which clearly indicates the nature of the investigation
   b. Background
   c. Objectives
   d. Methods
   e. Results
   f. Conclusions
   g. References

6. Abstracts can be saved in “Draft” status to be re-edited and modified until the submission deadline (31 January 2019, 23:59 CET).

7. Therefore, the submitter will be required to create an EULAR congress user account.

8. Abstracts fulfilling all criteria can be saved in “Final submission” status. Only abstracts in “Final submission” status will be regarded as successfully submitted and considered for the congress. Abstracts in “Final submission” status can be re-edited and modified until the submission deadline (31 January 2019, 23:59 CET).

IMPORTANT DATES

› Submissions accepted from 1 October 2018

› Submission deadline: 31 January 2019 23:59 CET

Abstracts received after the deadlines will not be accepted!

› Deadline for travel bursary application: 31 March 2019

› Notifications to submitters: mid-April 2019

› Online publication of abstracts: approx. one month before the congress
9. An abstract can only be submitted if the “Rules and Regulations, including the EULAR embargo rules” on the online abstract form are read and accepted.

10. Conflict of interest: It is the intent of EULAR to provide high quality sessions focused on educational content that is free from commercial influence or bias. Thus the submitting author of an abstract is requested to declare any potential conflicts of interest for all authors during the abstracts submission.

11. For clinical abstract submissions, the presenting author can be any of the listed authors without affiliations to industry. For basic and translational abstract submissions, the presenting author can be any of the listed authors.

12. The inclusion of trade names/brand names is not allowed in the abstract. The mentioning of agents/molecules must follow the scientific standard for publications.

13. Abstracts accepted for the congress are subject to the “EULAR embargo rules” as published in the right column on this page or at the end of the page for mobile view. With the submission of an abstract the authors agree to the embargo rules.

14. The corresponding author has the right to grant, and does grant, on behalf of all authors an exclusive licence on a worldwide basis to the BMJ Publishing Group Ltd and EULAR to publish the abstract (if accepted) in any media and to exploit all subsidiary rights.

15. Only abstracts that contain original data can be submitted.

16. Abstracts should not be submitted if the following applies:
   a. the abstract contains data that has been published or accepted for publication in a print or online journal
   b. the abstract contains data that was presented at a scientific meeting more than 12 months prior to EULAR 2019

17. Abstracts containing data that has been presented or will be presented at a different scientific meeting between 01 June 2018 and 31 January 2019 can be submitted. Submission of an abstract that will be presented elsewhere between 1 February 2019 and 31 March 2019 is possible if acceptance is still pending at the time of the abstract submission (31 January 2019) These facts must be indicated on the submission form.

18. Abstracts submitted for publication or to a scientific meeting, but are pending acceptance, can be submitted without restrictions. However, once the abstract has been accepted by EULAR it is automatically subject to the EULAR embargo rules.

19. The reviewers will judge the abstracts according to the scientific or clinical value, relevance to EULAR, suitability of methods to aims, conclusions confirmed by objective results, objectivity of statements, description of methods used, ethics, originality of work, standard of English and overall impression.

20. Please ensure that your abstract does not contain spelling, grammatical or scientific errors, as it will be reproduced exactly as submitted. No proofreading will be done.
21. Abstract acceptance will be in one of three categories: oral presentation, poster presentation, publication only.

22. Should the abstract be selected for oral presentation, the authors, represented by the presenting author will be required to sign an agreement to grant EULAR the right to record the presentation (audio and slide) and subsequently use it for educational purposes (with or without a fee). The full text of the agreement, the publication licence, can be found on the right side of the column.

23. Accepted abstracts will be published in a supplement to the Annals of Rheumatic Diseases (ARD). Information on accepted abstracts (title and authors) will also be available online about one month prior to the congress. Published abstracts will be available in the EULAR Abstract Archive during and after the congress.

24. The submission of an abstract constitutes a formal commitment by the presenting author to present the abstract (if accepted) orally or as a poster in the session and the time assigned by the EULAR Scientific Programme Committee. We therefore recommend submitters of abstracts to register for the congress at the time of abstract submission.

25. Abstracts not adhering to these guidelines will be rejected. If you do not agree with any of these rules, you should not submit an abstract. The final decision about acceptance of an abstract will be taken by the EULAR Scientific Programme Committee. EULAR does not communicate, nor enter into correspondence on the reasons for acceptance/rejection of an abstract.

26. If the presenting author needs to be changed, a request, indicating the listed co-author who takes over the presentation, needs to be sent to MCI no later than 15 April 2019.

27. If you need to withdraw your abstract, a written statement listing the reasons for this decision must be sent to the EULAR Secretariat or MCI not later than 1 April 2019.

INSTRUCTIONS FOR ABSTRACT PRESENTATIONS

› If an abstract is selected for oral presentation, the presenting author, as specified at submission, will be requested to present it in the assigned session. Details will be communicated to the author by mid-April 2019.

› If the abstract is selected for oral presentation, the authors, represented by the presenting author, will have to sign an agreement to grant EULAR the right to record the entire presentation (audio and slide) and subsequently use it for educational purposes (with or without a fee).

› If an abstract is accepted as a poster presentation, the presenting author will be requested to be available for discussion during the corresponding poster viewing session.

› Posters will be set up close to the exhibition area.

› For further information contact: eular.abs@mci-group.com

IMPORTANT DATES

› Submissions accepted from 1 October 2018

› Submission deadline: 31 January 2019 23:59 CET

Abstracts received after the deadlines will not be accepted!

› Deadline for travel bursary application: 31 March 2019

› Notifications to submitters: mid-April 2019

› Online publication of abstracts: approx. one month before the congress
Travel Bursaries

Every year EULAR awards a number of travel bursaries to the first/presenting author of an abstract accepted for oral or poster presentation at the annual EULAR Congress.

A travel bursary is to facilitate attendance at the EULAR Congress and includes:

› free full registration
› three nights hotel accommodation (single use), in the travel bursary hotel(s)
› a cash amount of EUR 350 for travel and living expenses

The age limit to apply for a scientific travel bursary is 40 years. There is no age limit for submissions under the Health Professionals (HPR) (other than physicians) or PARE/patients category.

Individuals who receive full or partial financial support from industry sources are not eligible for EULAR Travel Bursaries.

The cash amount of the travel bursary will be fully paid on-site at the congress only, and only to the eligible individual. No pre- and post-payments will be made in any case.

Applications should be submitted via the electronic application system.

Important information

Please apply for a travel bursary as soon as you have submitted your abstract – but note that this is a separate process and requires a separate application to be made!

Deadline for travel bursary application 31 March 2019!
EXHIBITION

During the congress, EULAR will hold an attractive exhibition for all delegates. The abstract poster presentation area is integrated into the exhibition. Coffee and other refreshments will be available in the exhibition and poster area. The exhibition will open officially on Wednesday 12 June 2019.

Exhibition hours will be as follows:

CONGRESS VENUE: DATES AND LOCATION

The Annual European Congress of Rheumatology EULAR 2019 will be held at:

IFEMA
Feria de Madrid
Avenida del Partenón
28042 Madrid, Spain
Website: www.ifema.es

Set next to one of the most important business centres in the city, the Feria de Madrid is linked to major transport arteries, which makes it easily accessible for EULAR 2019 participants.

The Adolfo Suárez Madrid-Barajas airport is just a few miles away from the IFEMA and easily accessible from every corner of the world.

Delegates can also make use of public transport, with thanks to the vast Metro Madrid underground network, which links the venue to every point of the city.

The architecture of Feria de Madrid’s facilities and the versatile capacity of its various spaces make this complex one of the most modern, technologically best designed and equipped venues in Europe.

TRAVELLING TO MADRID
By Plane
Adolfo Suarez Madrid-Barajas airport is one of the main airports in Spain. In terms of infrastructure, equipment, resources and air traffic, it is the most important air hub in Spain and the fourth in Europe.

It is just 13 km away from the city, and access to it by public transportation is one of the quickest and easiest to use in the world: besides bus or taxi, travellers may take the Metro, offering easy and frequent connections to the city centre.

A taxi ride from the airport to the congress venue (IFEMA) takes about 10 minutes and costs around 20 euros.

Adolfo Suarez Madrid-Barajas airport serves over 166 destinations and is the main European air hub for Latin America. Major airlines, including low cost airlines, are operating from and to this airport.

Since the inauguration of the new terminal in 2006, its capacity increased to 70 million passengers a year. The new terminal building was designed by Richard Rodgers and Lamela and it has received the Stirling Architecture Award.

GETTING AROUND IN MADRID
Metro
The underground (Metro) is the fastest, most efficient and most affordable way to move around Madrid. The city has a vast metropolitan network, one of the most comprehensive in Europe, and covers almost all the points in the capital and many of the neighbouring areas.

Currently, there are twelve metro lines and three Metro Ligero (tramway) lines.

The metro line number 8 or pink line (Nuevos Ministerios – Airport T4) connects the city to the Adolfo Suarez Madrid-Barajas airport in
approximately 12 minutes and to Madrid’s Trade Fair grounds (IFEMA). The metro stop at IFEMA is called ‘Campos de las Naciones’, located at the South Entrance of the IFEMA.

**Bus**

Madrid has an extensive city bus network, run by the company Empresa Municipal de Transporte (EMT), which covers the whole city. All the vehicles are air-conditioned and equipped with WiFi. Madrid’s buses have special facilities for disabled access. Although main streets have dedicated bus lanes, buses can be slow during rush hour.

Line number 112 running from Mar de cristal to Barrio aeropuerto stops at the IFEMA. Get out at ‘Partenon - Campo de la Naciones’.

**Taxis**

Taxis in Madrid are white with a diagonal red band on their front door bearing the emblem of the city. They have a green light that is on when they are free. To hail a taxi all you need to do is raise your hand.

There are also several taxi ranks around the city, indicated by a blue sign with a white letter ‘T’. Taxis must be taken from the corresponding ranks at railway and bus stations and at the airport. Throughout the rest of the city they can be easily stopped on the street.

With over 15,600 taxis in Madrid, finding a free one on any of the city’s main streets is rarely difficult. Journeys are usually paid for in cash although more and more taxis accept credit cards.

Prices are quite reasonable, considering that a one-way trip from the city centre to the airport costs around 20-25 euros.
Facts about Madrid and Spain

FACTS ABOUT MADRID AND SPAIN

Madrid is the capital of Spain.

Such a self-evident statement has a much wider-ranging underlying significance, whose multiple implications have moulded the city’s singular personality. Madrid is the decision-making centre of the Spanish government, the place where the different de facto national powers have their headquarters, and where the major companies, multinationals, banks and financial markets are located. It is also the geographic centre of the Iberian Peninsula (the exact centre is Cerro de los Angeles, 14 km outside Madrid), and the hub of all of Spain’s national highways and international throughways.

The diversity of its neighbourhoods and buildings reminds us at every step of the city’s dual role in the political and economic spheres. Its historic monuments are the heritage of a city that has wielded administrative power for more than four centuries. Alongside them, glass- and concrete-clad skyscrapers encase the heartbeat of an increasingly important local economy, whose weight is growing both at the Spanish and international levels.

Within the territory of the Madrid region, whose total surface area is approximately 8000 km², two other major local powers live side-by-side: the government of the Autonomous Region and the capital’s City Council. Madrid is one of the 17 autonomous regions into which Spain was divided under the Constitution of 1978; unlike most of the others, it has but one province. Its population tops 5 million, or 12% of the national total. Its surroundings and its location have shaped Madrid.
It is a city in the centre not only of the region, but also of the country. Perhaps this location is one of the determining factors in its status as the capital, as the political, business, economic and transport centre all which help to explain why this city has always been a potpourri of different people and interests, both historically and today.

Geographically, the Madrid region has a diversity that might astonish someone who only knows the city and its outskirts. The proximity of the Sierra de Guadarrama offers a variety of landscapes that break up the monotony of the Castilian meseta, and make Madrid a region of forests, hidden valley’s and peaks more than 2,500 m high, a surprising contrast to the great city and its far-flung suburbs.

Madrid boasts a unique historic and artistic heritage that coexists in harmony with creativity, embracing culture and gastronomy. The modern and cosmopolitan flare of the Spanish capital offers guests a variety of things to discover. The passionate and friendly character of the Madrileños also enhances the visitor experience.

**CLIMATE**

Madrid and its metropolitan area have a Mediterranean climate on the borderline of the continental climate with mild cool winters and warm to hot summers. The average temperature in June is 21°C (70F).

During summer, days are longer and the city really begins to come alive in the evening.
CREDIT CARDS

Major Credit Cards (American Express, Eurocard/ Mastercard, Visa) are accepted in most hotels, restaurants and shops.

CURRENCY

The Spanish currency is the Euro (1 Euro = 100 cents).

ELECTRICITY

The electricity power supply in Spain is 220 Volt with a European standard plug.
LANGUAGE
The official language in Madrid is Spanish, however English is spoken in tourist areas. Catalan, Galician and Basque are frequently spoken in some areas.

SHOPPING
Madrid is a very interesting city for shopping. International brands mix with local shops opened until very late (normally from 10:00 to 22:00), where you can find almost everything: clothing, shoes, food, wines, souvenirs... from very different styles, at very different prices.

TIPPING
Locals in Madrid usually tip when they have received a good service. In general, people tend to tip 10% in restaurants (however restaurants do not charge extra on the bill). Tipping taxicab drivers and hotel personnel is also customary in Madrid.

TIME
Spain follows Central European Time (CET) which is UTC +1 hour in winter and UTC + 2 in summer.

VISA
You do NOT need a visa for Spain for business, personal visits or tourism if you are:
› citizen of any State of the European Union
› citizen of Norway, Switzerland, Iceland, Liechtenstein, UK and Ireland
› from a country listed on the Foreign Ministry list
› not staying more than 90 days
In this case, a passport or ID Card valid for the duration of your stay is sufficient.
For more detailed information, please visit:
If you should need a visa, please apply early enough to allow sufficient handling time by the authorities. You may ask the EULAR Organising Secretariat for an official letter of invitation (proof of registration required).

EULAR OFFICIAL HOUSING BUREAU
The official registration and housing bureau for EULAR 2019 is MCI Suisse SA.

With careful research and dedicated negotiations, MCI works on your behalf to provide hotel rooms of a high-quality standard at a competitive rate. In addition, when you book your accommodation through MCI, you will also receive a complimentary city transportation pass.

**Beware of Unauthorized Hotel Solicitations! Use MCI to Avoid Fraud!** While other hotel resellers and travel agencies may contact you offering housing for your trip, they are not endorsed by or affiliated with EULAR. Beware that entering into financial agreements with non-endorsed companies can have costly consequences.
