

EULAR 2023 FILMING AND PHOTOGRAPHY AGREEMENT

By signing this agreement, I, agree to abide by the [EULAR 2023 Press and media rules and regulations](#). I understand that filming, photography, and audio recording are only allowed in designated areas and that film crews must be accompanied by a filming steward at all times.

Authorised filming permit badges must be worn by all relevant personnel in an immediately visible place at all times during the congress when filming, or when carrying filming equipment.

Filming in non-designated areas is strictly prohibited, including in scientific sessions, public spaces, poster sessions and in the exhibition halls.

The recordings shall only be used for information and communication purposes and must reference the source of the material. Intellectual property copyrights must be respected.

I understand that the ability to film can be revoked at any time, subject to the decision of EULAR staff.

By signing below, I agree to film according to the above guidance.
