STEP BY STEP GUIDE TO UPLOAD YOUR POSTER

- Login to your [EULAR Congress account](#)
- Go to the Module (blue box): **Content Submission**
- Please refer to the content upload instructions available under the following link: [EULAR Congress Abstract Presentation](#)
- Your poster / poster tour presentation is to be **uploaded before** the Congress event starts. Please refer to the following guidelines and upload your poster (PDF only, NO narration) latest by **14 May 2022**.

GUIDELINES FOR EULAR POSTERS

- It is mandatory to indicate your new abstract number on the upper right corner of your poster.
- Please see the following technical requirements for the ePoster:
 - **File format:** PDF (1 Page only)
 - **Size:** (In pixels) 1920 width x 1080 height / (In cm) 25.4 width x 14.29 height. **IMPORTANT: Please use landscape orientation.**
 - **Font size:** there is no recommendation from us. You are free to decide. Our system caters for zooming in
 - **Images:** Please ensure highest resolution possible
 - QR codes are allowed on all posters for the purpose of disseminating scientific and educational content. The information available using the QR code should be freely accessible and should not require any specific log-in. In agreement with applicable laws, rules regulating restrictions for promotional activities in the context of medical events, QR codes should not give access to company sponsored websites allowing the free access to prescription medicines advertisements.

To easily create your ePoster we recommend you to use the suggested template, which already has the required dimensions. The ePoster template can be found [here](#).

- The inclusion of trade names/brand names is **not** allowed on the poster. The mentioning of agents/molecules must follow the scientific standard for publications.
- Note: You will only need to upload a PDF version of your poster and **NO narration is required**.
- You will be asked to accept a mandatory Webcasting conditions before finalizing your upload.

RECOMMENDATIONS FOR EFFECTIVE POSTER PRESENTATION

- EULAR is keen to adopt new ways of poster presentation and design. We thus encourage you to refer to [this article](#) when preparing your poster.

Recommended video:

[How to create a better research poster in less time \(including templates\)](#)

- Refer to the material and templates on the EULAR website for the preparation and lay-out of your poster.
- Do not overload your poster. Remember, you are not writing an article.
- Seek simplicity, keep text to a minimum and avoid redundancies.
